Step 2: Read "Read "Tips for online application" carefully before clicking "NEXT" to the registration page.

Step 3: Log in with your user name and password. For new user, please click "Create an account" for registration.

Step 4: Fill in the correct Program Category and Agency Number. An Agency Number represents a specific application receiving agency and a correct choose of Program category is necessary before filling in the Agency Number. Please make sure you fill it in correctly, otherwise you will not be able to continue your online application or your application will not be accepted.

Your ‘Program Category’ is: Type A and ‘Agency Number’ is: 4041. Once the correct ‘Agency Number’ is entered, the name of the agency will automatically emerge.

Step 5: Fill in the Online Application Form and Upload Supporting Documents truly, correctly and completely following the steps listed on the left of the page. Applicants are required to select a discipline before choosing their majors. Please refer to the Disciplines Index, which could be downloaded from Help, if you have any doubt about the disciplines and majors.

Step 6: Check each part of your Application carefully before submitting it. Click *Submit* to submit your Application. The submitted documents will be the only reference for the applied universities to confirm the admission.

Step 7: You can make changes to your application by clicking *Withdraw and Edit the Application* on the top of the page. But make sure to submit it again by clicking *Submit* after finishing all the changes. Otherwise, the retrieved application will become invalid and your new application will not be received either.

Step 8: You can download and print the completed Application Form by clicking *Print the Application Form*.

Step 9: Send the paper application form and other supporting document.
